The City of Kansas City, Mo., Human Relations Division's Disadvantaged Minority Women Business Enterprise Management System is accessible to City departments, certified firms, consultants, contractors and the general public. The following key features are available, depending on levels of access:

- Enhanced online DMWBE directory, with key-word search capabilities
- Communication with contractors and consultants via e-mail regarding compliance issues
- Online and automated tracking of DMWBE goal attainment
- Online verification of DMWBE payments
- Flexible reporting capabilities

Step 1
Click Account
Lookup

Search the system's user directory to find your account. You can then send yourself a username/password reminder by email. Enter search parameters below and click the **Search** button. [Search results](#) are displayed below.

If you do not see your business listed in the search results, or the contact information is incorrect, please email [Customer Support](#). Include your business' and personal contact information for account verification. We may need to request additional information for security purposes.
