

JPS Health Network
Fort Worth, Texas

Doing Business with JPS Health Network

The Office of Diversity & Inclusion

Overview

Tarrant County's Public Healthcare Provider

Tax-supported Entity

Includes:

- John Peter Smith Hospital,
- JPS Surgical Center,
- Network of Community and School-Based Health Centers, and
- Psychiatric Services.

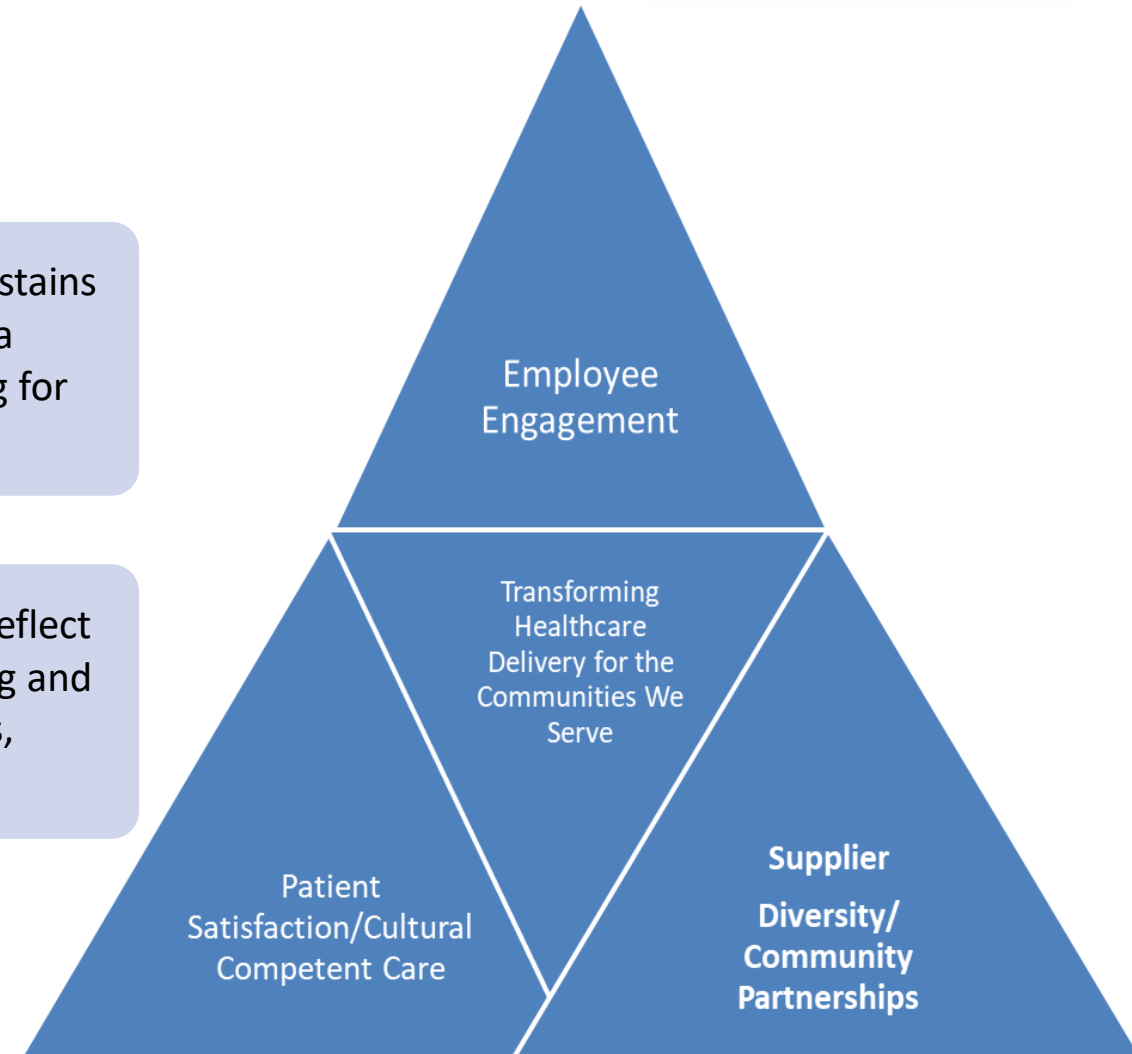

The Office of Diversity & Inclusion

The JPS Office of Diversity & Inclusion supports and sustains an engaged, inclusive work environment. We support a respectful and culturally competent approach in caring for our diverse patient population.

We believe our suppliers, like our employees, should reflect the diversity of the communities we serve. By including and supporting diverse businesses we create opportunities, promote innovation and stimulate growth.

How To Do Business with JPS

Register on B2G JPS Vendor Portal

<https://jpshealth.gob2g.com/?TN=jpshealth>

Look for RFP/RFQ/RFB alerts via email and our website:

<https://www.jpshealthnet.org/vendors/open-rfpsrfbsrfqs>

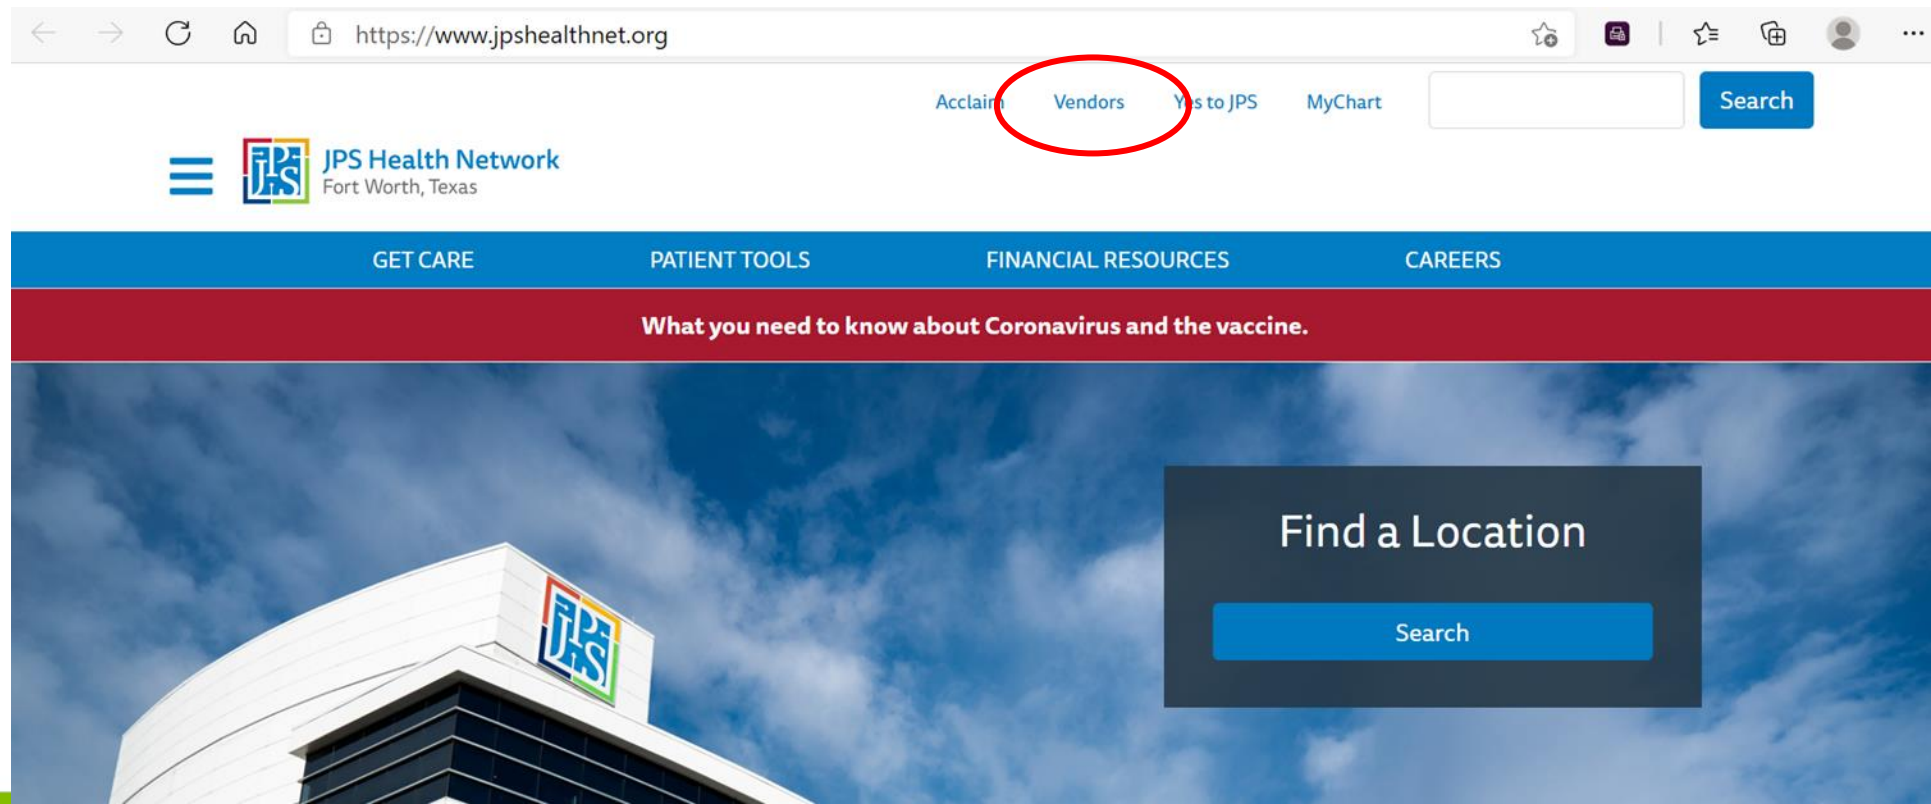

Look for formal solicitation email notifications, generated through our vendor database system (B2G) <https://jpshealth.gob2g.com/?TN=jpshealth>

How to Do Business With JPS

Visit JPS Website: <https://www.jpshealthnet.org/>

Main Website – Click on “Vendors”

How to Do Business With JPS

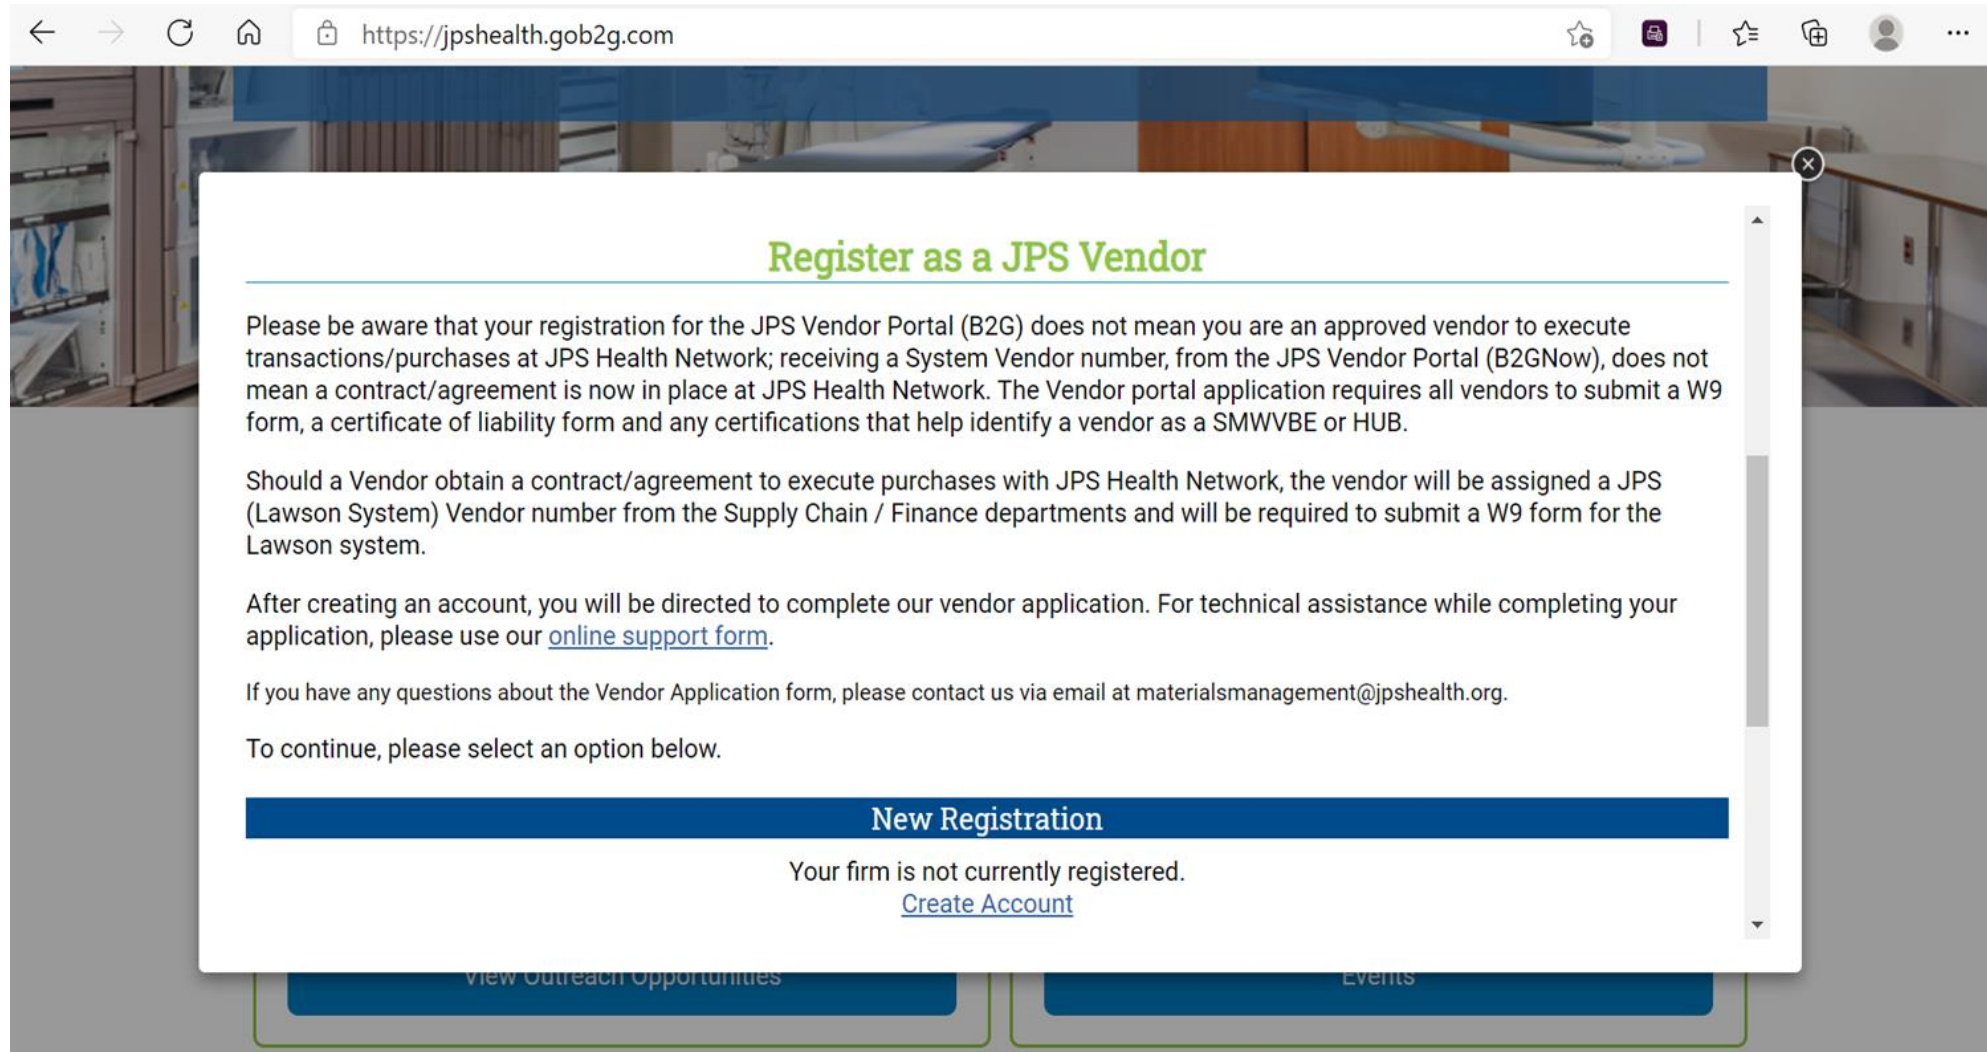

Register As A Vendor – B2G Is The Vendor Portal/Database Used by JPS

The screenshot shows the JPS Vendor Portal website. The browser address bar displays <https://jpshealth.gob2g.com>. The website header includes the JPS logo with the tagline "Centered in Care Powered by Pride", a link to "OUR MAIN SITE", and a "CONTACT SUPPORT" button. The main banner features a hospital operating room background with the text "JPS Vendor Portal" and a "Log In" button. Below the banner, there are several sections with green headers and blue buttons:

- Vendor Registration**: Search and/or join our database of registered vendors. Buttons: "Search Directory of JPS Vendors", "Register as a Vendor" (circled in red).
- Outreach**: Opportunities for vendor involvement. Button: "View Outreach Opportunities".
- System Training**: (Header visible, content partially cut off).
- Upcoming Events**: View our upcoming events. Button: "Events".
- Welcome/About the System**: Learn more about this system and how it works today. Button: "Information for Vendors".
- Doing Business with JPS**: Key Steps to Doing Business with JPS Health Network.

How to Do Business With JPS

The screenshot shows a web browser window with the URL <https://jpshealth.gob2g.com>. The page features a background image of a hospital corridor. A white modal window is centered on the screen, titled "Register as a JPS Vendor" in green text. The modal contains several paragraphs of text explaining the registration process and requirements. At the bottom of the modal, there is a blue button labeled "New Registration" and a link to "Create Account". Below the modal, parts of two other buttons are visible: "View Outreach Opportunities" and "Events".

Register as a JPS Vendor

Please be aware that your registration for the JPS Vendor Portal (B2G) does not mean you are an approved vendor to execute transactions/purchases at JPS Health Network; receiving a System Vendor number, from the JPS Vendor Portal (B2GNow), does not mean a contract/agreement is now in place at JPS Health Network. The Vendor portal application requires all vendors to submit a W9 form, a certificate of liability form and any certifications that help identify a vendor as a SMWVBE or HUB.

Should a Vendor obtain a contract/agreement to execute purchases with JPS Health Network, the vendor will be assigned a JPS (Lawson System) Vendor number from the Supply Chain / Finance departments and will be required to submit a W9 form for the Lawson system.

After creating an account, you will be directed to complete our vendor application. For technical assistance while completing your application, please use our [online support form](#).

If you have any questions about the Vendor Application form, please contact us via email at materialsmanagement@jpshealth.org.

To continue, please select an option below.

How to Do Business With JPS

Look for formal solicitation email notifications (notification) through our vendor database system (B2G).

Please note that vendor registration does not guarantee notifications. This is an added-value service that is based on specific commodity codes relevant to a solicitation. If your firm does not have a commodity code selected in the notification process or if your commodity code is not one of the codes selected, then you will not receive a notification.
